Why choose NUK

February 8th, 2019 - First Choice for Combined Feeding The shape of the NUK Teat mimics that of a mother's nipple during breastfeeding this encourages latch on and makes for a problem free switch between breast and bottle feeding

Official NUK supplies for new born babies toddlers and

February 7th, 2019 - My little boy was born at 33 weeks and spent 4 weeks in the neo natal unit in our local hospital in Northern Ireland When he started to get a bottle after being tube fed he was put into a nuk teat and as he was so small the nuk test was ideal for his small mouth
